Piñon-Juniper Restoration Bibliography

Compiled by Kent Reid, NMFWRI
Jan 2019

This bibliography lists the publications that were consulted in writing the “Piñon-Juniper Restoration Protocols” for NM State Forestry. The PJ literature is voluminous; thus, this list is not complete, even for New Mexico.

Lanner, RM. 2012. How did we get it so wrong? J. Forestry 110(7):404
