

CAREERS CONNECT

Edition #037

A Weekly on Jobs and Resources

December 3, 2025

Students, Colleagues and Peers: Non-profits take the lead once again this week. Weekly issues of Career Connects are archived [here](#).

Note: some of you are receiving this email for the first time as friends and coworkers have shared your contact. You may unsubscribe any time by emailing me: shantinir@nmhu.edu

LIFE TIP: "It's possible to understand the world from studying a leaf. You can comprehend the laws of aerodynamics, mathematics, poetry and biology through the complex beauty of such a perfect structure. It's also possible to travel the whole globe and learn nothing."

~ Joy Harjo, The Woman Who Fell from the Sky: Poems

»»» **Executive Director, STEM Santa Fe (salary: \$75-85K annually; deadline: ASAP)**

This full-time exempt position will start early January 2026, and will lead daily operations, program and event implementation, and foster strong community connections.

Conservation Delivery Manager, Playa Lakes Joint Venture (salary: \$75-80K annually, deadline: 12/31) «««

This is a fully remote position that can be based anywhere within the Playa Lakes region of eastern NM, TX panhandle, or western/central OK. Responsibilities include engaging with key partners, project management and support, supervise and mentor staff, and support NAWCA grant development.

»»» **Seasonal Physical Science Technicians, El Malpais National Monument (1 position) and Valles Caldera Nature Preserve (2 positions); deadline 12/8**

These are full-time temporary positions (GS-05 level, April-May 2026 start date) for US citizen applicants. El Malpais technician based in Grants will focus on environmental monitoring of lava tubes and bat surveys through acoustic recorders.

If you know of job opportunities or have a request for a type of resource that can be added to this newsletter, please reach out to Shantini Ramakrishnan (shantinir@nmhu.edu)
