

## Connecting for Conservation

**C4C Santa Fe**

June 15, 2026

### **Call to Action:**

### **Submit your events and news**

### **for the Summer Newsletter!**

Dear C4C SF Member,

It's almost summer! I hope everyone has been surviving the New Mexico wind and unexpected rain storms. If you have something you would like to share with the C4C Santa Fe network in our next newsletter, please email me at [berit.robnett@nmhu.edu](mailto:berit.robnett@nmhu.edu) or fill out this [short survey](#). We'd love to share your successes, challenges, updates on past events, save-the-dates for upcoming events, and any other relevant news!

---

#### **Do you want to be featured in our next group highlight?**

If you are looking to connect with the greater Santa Fe region on a deeper level, C4C's group highlight is a great way to start! I'm interested in learning more about the work and people who make it possible to foster healthy forests and watersheds. This opportunity is for those who want to share their projects, processes, and what collaboration means to you and your group.

Email me at [berit.robnett@nmhu.edu](mailto:berit.robnett@nmhu.edu) or fill out this short [form](#).

---

## In the meantime...

# Plants as Restoration Tools

## A FREE Querencia in Action Landowner Workshop

### Saturday, June 27

**10 AM - 2:30 PM**  
**Mineral Hill, Hwy 283, m.m.12**  
**Lunch Included**

**Go from this....**

**...to this!**

**Dozer lines and hazard tree removal has created areas of bare and compacted soils, vulnerable to invasive plants and heavy erosion.**

**JOIN US and learn about...**

- The Good, The Bad and The Ugly: plants you want and the ones you don't
- Types of plants for degraded sites
- Weed suppression
- Enhancing survival when you reseed and revegetate

**FREE SEED FOR  
WORKSHOP ATTENDEES**

**RSVP @ [shantinir@nmhu.edu](mailto:shantinir@nmhu.edu); 505-426-2226**

## QIA Workshop: Plants as Restoration Tools

*Hosted by the NMFWR/FIRENM with the Wildfire Resiliency Training Center*

**When:** Saturday **June 27**, 2026 from **10:00am** to **2:30pm**.

**Where:** Mineral Hill HWY 283

Join the NMFWR I for a **free** workshop focused on plants as a restoration tool! This workshop is June 27th from 10am to 2:30pm, lunch will be provided.

To RSVP contact [shantinir@nmhu.edu](mailto:shantinir@nmhu.edu).
